FINAL DENIAL OF ASSOCIATION

The CORPORATION (CSEML) rejects hereby any association whatsoever at any time, past or present, claimed by Vina Katherine Durham, V.K. Durham, and all other of her affected self-designations. Two of the officers of this corporation, E J Ekker and Doris J Ekker, and several of their friends, at the request of Ms. Durham's former business partner, Russell Herman, financially supported her from the time of his death August 29, 1994 until her demands became oppressive and unbearable in June of 1997.

In her personal posting dated 11/28/05 and titled "The Contra Fall-Out & Pending WWII, the Now Time (7)" on "her" Antechamber website Ms. Durham has made such outlandish statements replete with maliciously fabricated innuendos that we are obliged to point out her fallacies in this Public Notice.

First, however, as foundational information, we will quote from her own undated narration that is intermixed with others dated in late October and early November 1994, some 8-10 weeks after Russell's death.

Quoting (exactly, for the flavor): "I had been working on SAILFINN.. out on the West Coast.. sent out by Senator John Morton who disappeared and "I" lost my cover."

From the same narrative: "Didn't see Russ again until 1969.. he was on his way to VIET NAM.../and then I did not see him again until 1986... In 1987, Russ came out to California.. to PROTECT ME as; I had been in an auto accident (Feb. 17, 1983), which was no accident at all.. but moreover, an attempted murder.. to look like an auto accident.. and I was being held hostage in my own home... by the "GOOD OLD BOYS SYSTEM"... couldn't walk, I could barely talk... I was in a wheel-chair... and being drugged to death..."

For better clarity, let us illustrate VK's possible association with CSEML:

With that foundation, we will quote (again, exactly) from her recent writing of 11/28/05:

She states: "Russell was going blind. He had contracted something which we could watch eat away at his body, up his throat, then up his face and ultimately in his eye which he contracted during his CONTRA involvement in Latin America." None of that is true. Russell died of colon cancer August 29, 1994 and the pictures VK is so fond of referring to show no sign of any other problem, including her claim that he was "hung up on meat hooks by his collar bones" some nine months earlier. In the spring and early summer of 1994 he was driving to town 2-3 times per week to use a pay phone to call the CONTACT office 800 number from whence the call could be forwarded to us. VK's claim that he was "going blind" is a cover-up of her creation and use of a Power of Attorney she was using to file spurious and forged documents with the Washington County (Illinois) Recorder's office along with a Will that made no mention of his own family.

She continues: "I was conducting an investigation for the DOE in matters which are happening right here and right now which also involves OPERATION CODE NAME TROJAN and taking hostage the entire global banking, financing and economics which we (DOE) learned about from a late night telephone call from Earl Hightower Senior International Counsel for Tennaco Oil Corp, Wilshire Blvd, Los Angeles, Cal. after he witnessed the happenings at the where all Big Oil Companies, Saudi Kings and Princes, Russian Ambassadors and so on who all agreed to initiate a war with Omar Qudaffi of Libya immediately after Reagan won the Presidency and proceed to 'take over the far east oil fields'."

Incredible! At that time DOE would indicate the Department of Energy. What happened with Senator John Morton and Operation SAILFINN? VK used to say that SAILFINN had to do with illegal drugs and crooked judges so now she substitutes in TROJAN and "entire global banking, financing and economics" along with "all Big Oil Companies, Saudi Kings and Princes, Russian Ambassadors and so on" at a "RONALD REAGAN dinner" wherein it was decided to "initiate a war with Omar Qudaffi (sic)" and take over the far east oil fields" "after Reagan won the Presidency".

For a sane person to make such an idiotic discourse must require a substantial amount of "mind-altering substance". Ms. Durham's penchant for modifying past stories to fit

current needs and her ever-ratcheting-up of the ridiculousness of her stories must put to question her sanity. As an example, on page 3 of the same writing she states:

"USAF, USCG, UST, CIA, COL. RUSSELL HERRMAN-HERMAN was a ARMS DEALER for THE PRESIDENTS OF THE UNITED STATES. I did not know that at first, but I know it now! His operation was based in Chicago, with offices in the NW Corner of the Pentagon, and Curacao. He was right in there as THE PRESIDENT'S MAN, operating with KHASHOGGI, ARI ONASSIS, HOWARD HUGHES and the rest of them... Herman, Hughes and Onassis used the Nevada Corporation known as Cosmos Seafood Energy Marketing, Ltd.; Nevada ID # 1707-85 for the Arms Dealing and a "shrimp fleet" for moving both Gold and Arms."

Such wild, unfounded, blatant lies cannot go unchallenged. This corporation was never used for any purpose other than to hold title to the asset created by the interest accrued to the Peruvian Bearer Bond 3392-181. Of this we were assured by its founder, Russell Herman, when we assumed responsibility for it in 1993. It had never had a bank account nor had it filed a tax return because it had done no taxable transactions.

Ms. Durham makes the further allegation by innuendo that "the Boatmen's Bank Account would be used for laundering money in what is called a pass through or in and out account and used by THE CONTRAS men to launder the fall out on the two \$120 Billion Dollar Gold 10 year term transactions beginning 9/12/91..."

More malicious, baseless lies. The whistle was blown on Iran-Contra in November 1986, long before VK learned of 3392 and during a period when she was in a coma or at least in a wheelchair and unable to speak--injured in 1983 and "rescued" by Russell Herman in 1987-88--according to her own story which was written in 1994, more than 10 years closer to the time now being "recalled". She continues to attempt to represent that the so-called "Brady Bonds" issued 9/12/91 were destroyed in the World Trade Towers 9/11/2001 and thus became somehow "lost" and would not be paid. That is complete nonsense and confirms the lack of knowledge of the woman. Now she even further bends the truth by referring to them as "Gold 10 year term...". No, they are not, and never were "gold" anything. Neither is it possible that the Boatmen's bank account would be "used by THE CONTRAS men to launder the fall out on the two \$120 Billion Dollar Gold 10 year term transactions beginning 9/12/91". THE CONTRAS men were fighting to stay out of jail in 1991 and were not pardoned by Bush until December 24, 1992. The stories and pronouncements from Ms. Durham become ever-increasingly bizarre but most readers of her material have no other facts with which to compare.

As a signatory of the contract confirmed by jurat of the Peruvian Consulate in Los Angeles, California, V.K. Durham has been unable to deny that the Peruvian bearer bond 3392-181 was reconfirmed and reissued as a contract of identifiable ownership to Cosmos Seafood Energy Marketing, Ltd. on August 21, 1989. Neither can she deny that, in the same document, it is recorded that ownership had been transferred to the

Corporation by Russell Herman in 1988, as witnessed by the corporate secretary Cecelia Xalis and which confirms the fact that Ms. Durham was not associated with the Corporation at that time. What she has attempted to do is to confuse people by calling it a "commodity contract", which of course it never was, and lately she has added a new confusion device called the "Certificate of Debt No. 181", implying that there are now two different "certificates".

Actually, there are now NO certificates--only the contract assigning ownership to Cosmos Seafood Energy Marketing, Ltd. which is confirmed by the Peruvian government's jurat dated August 21, 1989. The originals of many of those documents are still being illegally, and immorally, held by VK Durham. Even if she, or anyone else, had the original bond, 3392, it is worthless except as memorabilia.

Pursuant to the rules governing Public Notices under the Uniform Commercial Code this Notice will be published at least three times in a newspaper of wide circulation.

IN WITNESS WHEREOF, the undersigned have executed and sealed this notice as of the date hereof. For the Corporation, dated at Makati, Manila, the Philippines, this 7th day of December 2005.
